Dear Sir or Madam:

Davis County Youth Hockey Association is a non-profit organization teaching and enhancing hockey skills for kids ages 4-14. Our home ice is at the South Davis Recreation Center in Bountiful, Utah. We hope you will consider making a donation to help defray the costs of operating our program.

The "Wind" is a house league of youth players who practice 1-2 times per week and play games with other youth hockey organizations from Vernal to Logan on Saturdays. These kids are learning the great sport of hockey with puck and stick handling skills, skating, and sportsmanship. Hockey is a lifetime sport having opportunities to play into adulthood.

All coaches, managers, board members, and parents volunteer their time to ensure the success of DCYHA and to watch the kids have fun!

The registration fee per player is \$350 + \$60 for jerseys and socks. These expenses include ice time at the South Davis Recreation Center at approximately \$160.00 per hour as well as referees during games. The hockey season typically starts in early October and runs into March or even April. It's a long and exciting season!

DCYHA has a sponsorship program for those in our community to help players, with the cost of uniforms, equipment, ice time and officiating. Up to 65% of the donation can be applied directly toward a player's registration fees to help him or her afford to learn to play hockey with the balance applied to our general fund. Please see our Gold & Silver Sponsorship flyer for details.

Here in Davis County we have a number of underprivileged kids who would love to play the great sport of hockey, therefore we ask that you sponsor a player, and then come watch some exciting hockey played by some great athletes.

Thank you for your support,

Peter Erickson
President, DCYHA
