

# 2010 DCYHA Board Nominee Bios

---

*Thanks to the members below who have offered to take on a leadership role in our organization. We only have 4 seats to fill this year, but the next election is only a year away!*

## **Tim Bergquist**

As a founding board member of Davis County Youth Hockey Association, Tim has had the privilege of serving as its President, Vice President and Board member through the years. He created DCYHA's Learn to Play Hockey program about 5 years ago and has taught most of the kids in the program at one point or another since then. In addition to his duties as a Board member he has also coached a variety of teams - both House teams and Travel teams – with DCYHA. He looks forward to continuing in his many roles at DCYHA and helping the program continue to grow, prosper and meet its member's expectations.

## **Ariel Hunsaker**

Ariel worked for the Utah Grizzlies/E-Center for 4 years, where she developed a deep respect and love for hockey. She has 3 daughters that attended most home games while she was working so they grew to love the sport as well. Ariel's youngest daughter Jazzy Cordell has played for 3 seasons now and is currently on the Pee-Wee Blue team. They live in West Valley and decided on DCYHA to play because of how exceptionally well it is organized and the wonderful people involved. Currently she works as the Executive Assistant for a company that sells tactical gear and equipment worldwide, trains military and law enforcement officers, and also has a small production company that produces DVD's.

## **Michael Johnson**

Mike grew up a sports nut of all kinds. His first memory of hockey was as a youth in 1980 watching team USA capture gold at the Olympics. Michael's love of the game continued, from watching the Golden Eagles to being a supporter of his high school team. Hockey has always been a sport and a tradition he has admired. When Porter, a mite, was too young to play football he insisted on playing hockey and has never looked back. He enjoys stopping goals as much as scoring them. Colton, a mini, can't wait to follow his brother and lace up his skates this fall. Michael has coached soccer for 4 years and knows it isn't the score on the board that counts it's what lessons the kids learned during the game that matters. He has lived in Davis County for 12 years.

## **Michael Hassler**

Michael grew up playing hockey on outdoor and indoor rinks on the prairies of Saskatchewan, Canada. He has been actively playing hockey since age 6. He played all through minor hockey and then a few real fun years of junior and senior hockey. He now plays in recreational leagues and has been coaching his son, Ethan's mite team for the last two years. Watching the young kids improve and gain a love for the sport of hockey has been extremely rewarding. He looks forward to giving back to the sport that has given him so much over the years. Mike and his family live in Kaysville and he manages a software engineering team at GE Healthcare.

### **Sky Wisner**

Hockey is definitely a family affair at the Wisner house. They have been actively involved with DCYHA for the past 3 years. Sky's 3 sons have played and her husband has coached for DCYHA. Sky is currently a board member and has been helping with the DCYHA apparel and some fundraising. One of the projects she worked on this past year was the ordering and distribution of the new team warm ups.

### **Chris Mayne**

Chris has been a DCYHA Board Member (3 yrs), team manager and hockey mom for several years with two boys skating. She's been the DCYHA game scheduler for the last two years and Secretary for the last year. Youth development and success are near to her heart. Chris supervises the W.I.A. Youth Program helping kids finish High School and get into Occupational Training. A Minnesota native. Ya, you betcha. Gotta love hockey! ### **Peter Erickson**

Peter grew up playing hockey on frozen pools, lakes, and eventually outdoor hockey rinks in Wisconsin. He hopes to pass on this childhood-winter-highlight to his three sons and other kids growing up in Davis County. Peter has been assistant coach on several of his sons' teams, and has been a board member for the past three years and is its current President. Peter has lived with his family in Bountiful since 1994.
